Residential on 0.14 Acres

NONE AVAILABLE, Laurel, MD

Set on a quiet cul-de-sac, this 5-bedroom, 4.5-bath Colonial combines space, comfort, and convenience in one inviting package. The neighborhood is a true standout with walking trails, schools nearby, and easy access to major highways, putting both Baltimore and Washington, D.C. within quick reach.

Inside, the home's thoughtful layout includes a main-level primary suite with an accessible bath and a half bath for guests—rare features that set this home apart. Hardwood floors and abundant natural light fill the main level, where a cozy fireplace warms the living room. The kitchen with breakfast area flows into an open floor plan designed for everyday living, while a separate dining room offers a more formal setting when needed.

Upstairs, you'll find three generously sized bedrooms and two fully updated baths with custom tile, new carpet, and fresh paint. The primary bath shines with a spa tub and a skylight window that makes it feel like a retreat. The finished basement provides additional living space with a bedroom and full bath, perfect for guests, hobbies, or a home office.

Out back, a deck and landscaped backyard is ideal for gatherings or simply enjoying a quiet evening. The two-car

driveway ensures plenty of off-street parking.
